

iPadPolicy

General Notes

INTRODUCTION

The iPad program, which has been adopted by Al Siraat College, is to enhance learning for our students by utilising 21st century learning tools. The usage of individual iPads empowers student learning. The vital role of the teacher. On the contrary, it transforms the teacher from a director of learning. Effective teaching and learning with iPads integrate technology into the curriculum. This document outlines the guidelines and acceptable use policy for all students using iPads.

SCOPE

This document applies to all parents and students of Al Siraat College who utilise iPads at the College, voluntarily or under requirement. Usage of iPad devices constitute consent to the policy. iuCd [(er)3.2 (Td (c)Tj 2 0.533 0 Tdh)Tj 0.522

- o Some carrying cases can hold other objects (such as folders and workbooks), but these should be kept to a minimum to avoid placing too much pressure and weight on the iPad screen.

SCREEN CARE

- x The iPad screens can be damaged if subjected to rough treatment. Screens and corners are particularly sensitive to damage from excessive pressure. Use a screen protector for extra protection from scratches and impacts.
- x Do not lean on the top of the iPad when it is closed.
- x Do not place anything near the iPad that could put pressure on the screen.
- x Do not place anything in the carrying case that will press against the cover.
- x Clean the screen with a soft, dry cloth or a static cloth. Use of harsh chemicals WILL damage the screen.
- x Do not “bump” the iPad against lockers, walls, car doors, floors, etc. as it will eventually break the screen.

Damages to iPads and Consequences

COLLEGE iPADS

College iPads may consist of - iPads in the Library, Classroom iPads and/or Learning Support Education iPads that the College has provided for student use. iPads that belong to the College will need to be looked after as the guidelines state. All iPads will remain the property of Al Siraat College. The composite levy will cover the cost of using the iPad, however, damage will be charged to parents.

POSSIBLE DAMAGES

The iPad is a portable device that, when not protected properly, can be damaged:

- x Screen can be cracked, outer case dented, and internals damaged if dropped
- x If submerged in water or exposed to extreme heat, the internals of an iPad can be damaged

CONSEQUENCES

If an iPad is broken, the teacher in charge will resolve the issue and give appropriate consequences. College Insurance does not cover the deliberate or accidental damage of individual iPads. The student/s involved will be liable for any damage caused.

- x If a student accidentally or deliberately drops/damages the device, they are completely responsible for the damages and replacement/repair.
- x If a student accidentally or deliberately drops/damages another student's device, they are completely responsible for the damages and replacement/repair. (Parents will be informed that the College will have the broken device repaired and invoice the student who are at fault).
